

Buffalo, June 26 or 27th (Sunday) 1870

My dear Sir:

I may give you upon Wadsworth's
employment - though Wadsworth has,
in my imagination, an odor variant
from that of the flowers of grapes. A
plan for must be extra-mural.

I have become, by emigration
to this city, all armed with wits,
which ~~s~~ and, having secured
a vacation until Thursday morn-
ing, can't stop to cipher, or any
such nonsense, but must hasten
to the words & draw signs, if I
can, from the free air of the country.
And so I implore you to
do the mitigation and let
me know how much I owe you.

I am going down town to mail
this. I suppose to get and close
a \$50 - & will, unless my customer
be absent from his place of business.
On the first day of July Dray Sately
comes in. & I shall feel rock for
a day or two. I shall also
write you day including December 1st
the remaining numbers which are
not. as I cannot find. in the Drury
or in the Currier Cat. And shall
express to you a packet of
specimens. Among which I appre-
hend errors in numbering, or re-
sized prints. I think likely some of
them. at least - of my stupidity.

Yours truly and faithfully,

M. W. Clinton.

Lehat Wright.

Yours ever
